## ADOPTION APPLICATION & SCREENING

*Thank you for your interest in adopting from Gila County Animal Care & Control. By adopting from a shelter instead of a pet store, you can help animals that might not otherwise ever find a home. From the time an animal comes into our care, we work hard to provide a safe, nurturing environment. By doing so, our adoptable pets are calmer, happier, and more trusting and adaptable to their new homes.*

Pets are a longtime commitment. Be honest as you fill out this form. The information you provide will help ensure a good, permanent match between you and the pet(s) you wish to adopt.

### ADOPTION PREQUALIFICATIONS

- Be at least 18 years old and present valid proof of identification.
- Complete the following application and discuss it with an Adoption Counselor.

- Understand and accept the financial responsibility to provide for the needs of the animal(s) you are interested in adopting, including but not limited to: food, supplies, licensing, vaccinations and veterinary care.
- Understand that this is an adoption, not a sale. Gila County Animal Care
